RUTGERS
School of Social Work

OPEN HOUSE Dates

The mission of the School of Social Work is to develop knowledge through education, training, and research to create dynamic solutions to social problems and to strengthen family and community well- being in this diverse and increasingly global environment of New Jersey and beyond.

The Rutgers University School of Social Work is always interested in receiving admission applications from individuals interested in making a difference in the lives of others. Whether you are considering a career in social work or are already working as a social worker and seeking an advanced degree, we invite you to attend one of our OPEN HOUSE programs.

Our OPEN HOUSE programs provide interested applicants the opportunity to meet faculty, field education staff, and admission officers of the School. These programs offer an overview of the social work profession, the School's curriculum, and specific information about the application process.

These meetings will be held on the Rutgers University Campuses in Camden, Newark, and New Brunswick according to the schedule on the reverse side of this letter. For campus maps and driving directions go to maps.rutgers.edu.
