The school-wide learning goal for the School of Social Work is:

To prepare students for practice and leadership roles in the fields of social work and social welfare. This goal is operationalized using three of the ten Council on Social Work Education (CSWE) prescribed competencies. These competencies are as follows:

1. Identify as a professional social worker and conduct oneself accordingly;
2. Apply knowledge of human behavior and the social environment; and
3. Apply critical thinking to inform and communicate professional judgment.
