

Monthly Report

New Jersey Child Support Institute
July 2015

NJCSI is a collaborative partnership of the New Jersey Department of Human Services, Division of Family Development, Office of Child Support Services; the Judiciary; the County Welfare Agencies; and the Institute for Families at the School of Social Work, Rutgers, The State University of New Jersey

Introduction

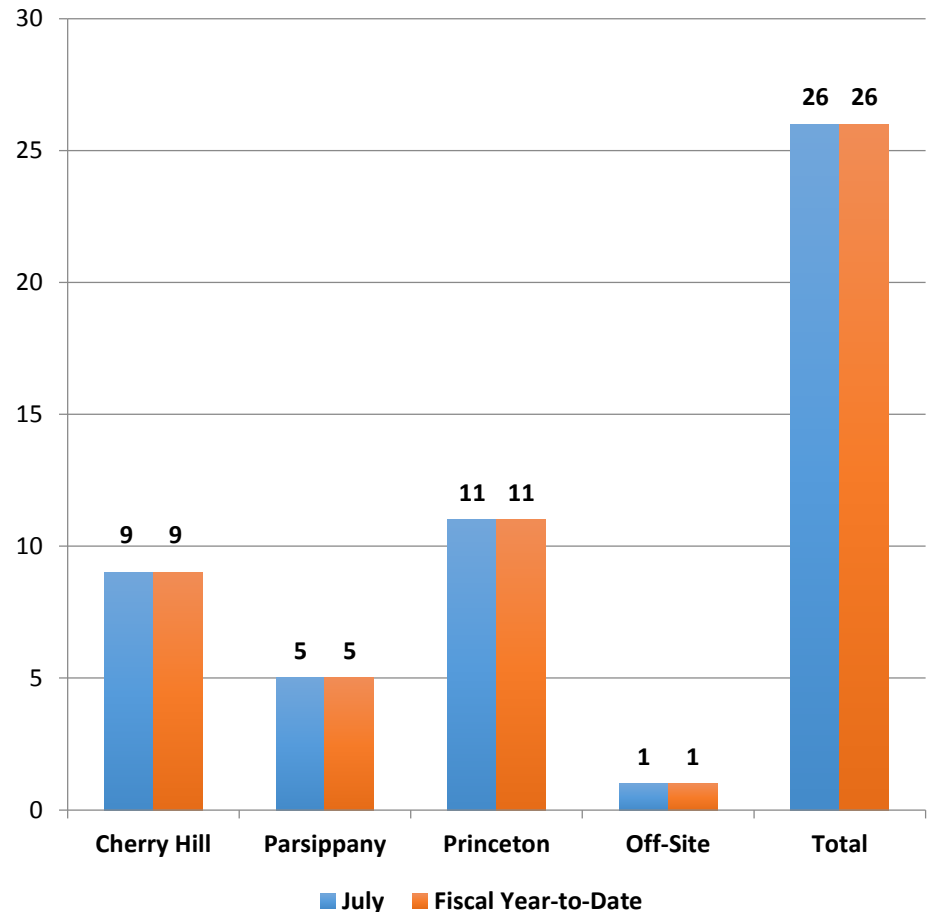

- NJCSI offers comprehensive training programs designed specifically for the professionals employed in New Jersey's Child Support Program.
- Foundation, specialized, and elective training opportunities are offered year-round at three state-of-the-art sites in Parsippany, Princeton, and Cherry Hill.

Introduction (continued)

- Technical assistance is offered at off-site and remote locations, and distance learning is offered through the Internet.
- Fiscal year-to-date data refer to fiscal year 2016 (July 1, 2015–June 30, 2016). Because this report shows data for only the first month of the fiscal year, the fiscal year data are equal to the July data.

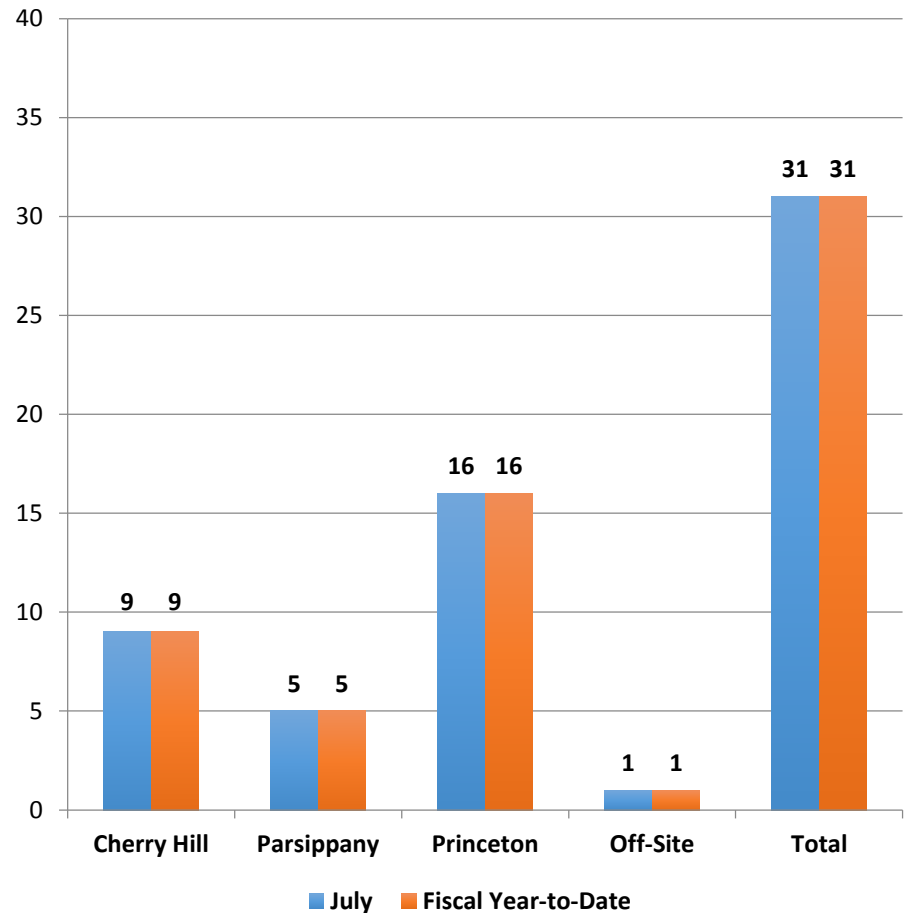

Courses Delivered

- 26 courses were delivered in July
- 25 courses were offered at NJCSI sites; 1 course was offered at an off-site location

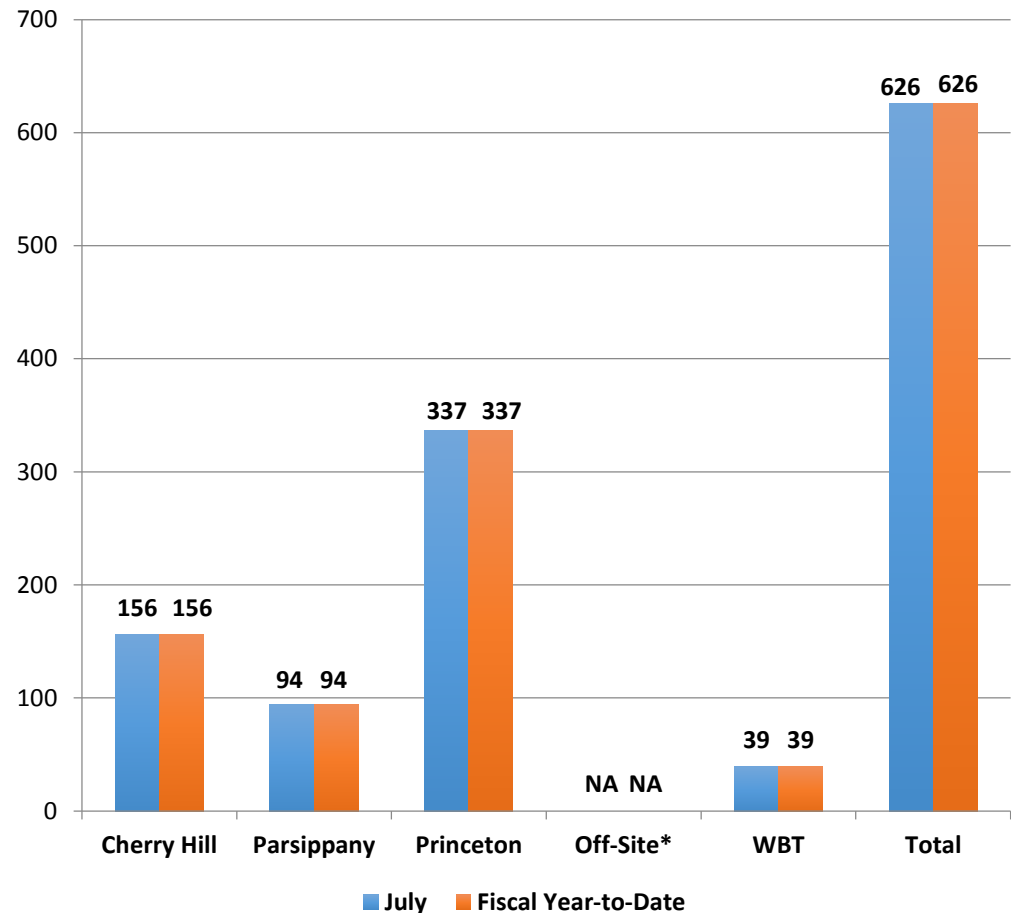

Training Days

- 31 training days were delivered in July
- 30 training days were delivered at NJCSI sites; 1 training day was delivered at an off-site location

Training Participants (Duplicated Participants)

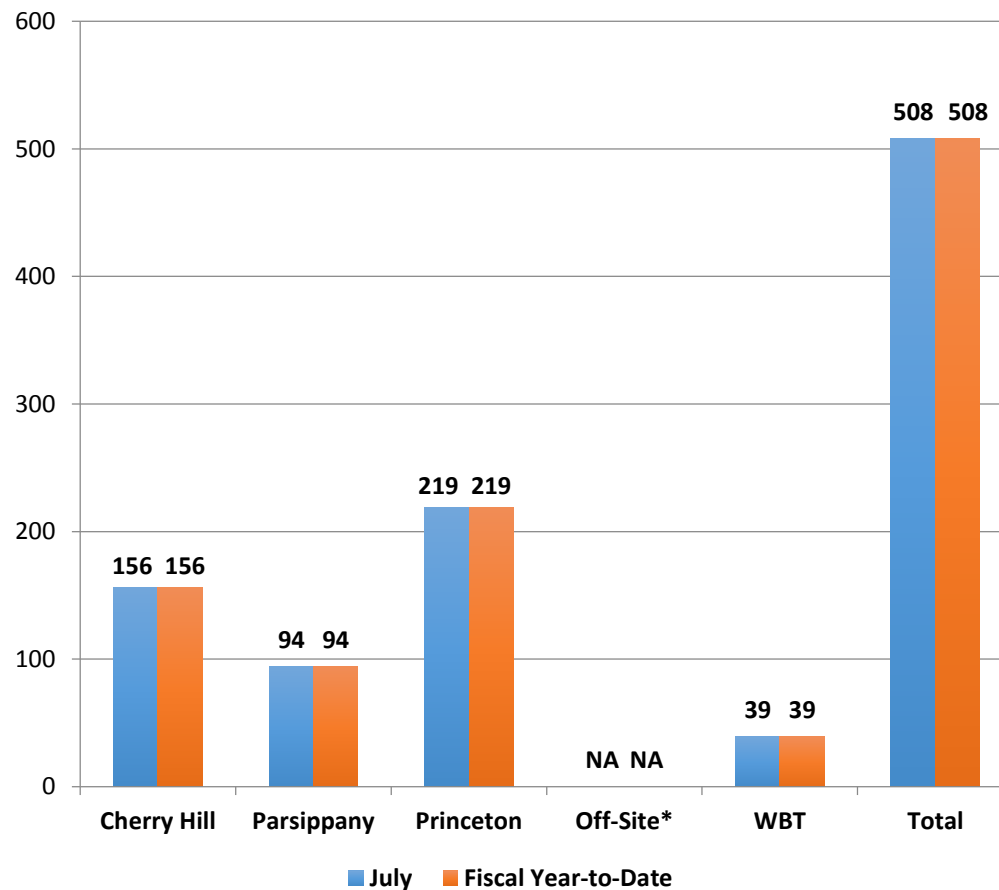

- 626 duplicated participants attended courses in July
- Duplicated participants represent participants counted more than once, based on their participation in more than one class session.

*No attendance information was provided for the off-site session.

Training Participants (Unique Participants)

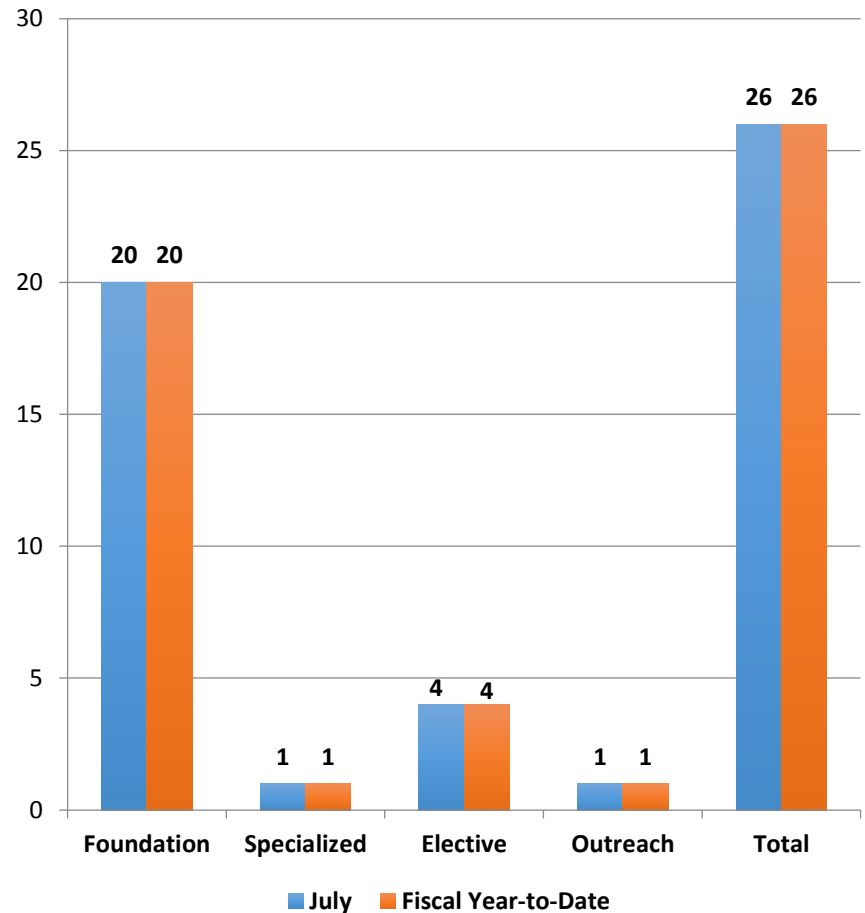

- 508 unique participants attended courses in July
- Unique participants refer to the actual count of individual participants. Attendees were counted only once, whether they attended a one-day training session or multiday training sessions.

*No attendance information was provided for the off-site session.

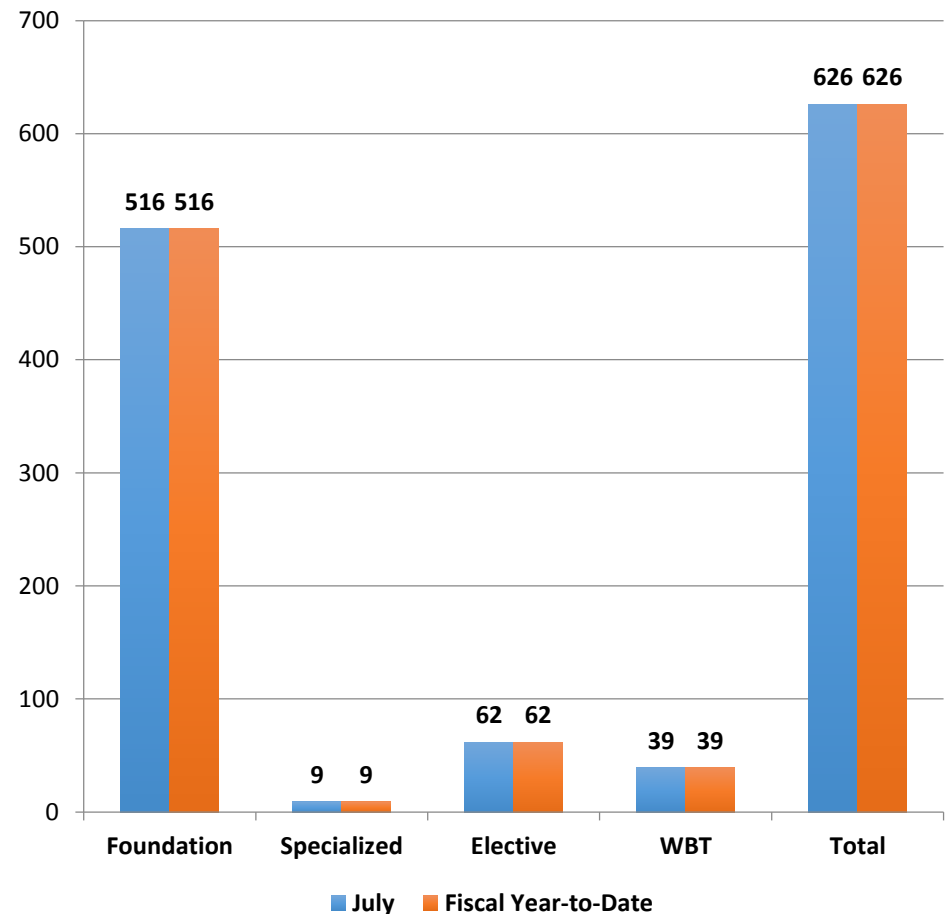

Courses Delivered by Type

- Courses delivered in July included 20 foundation courses, 1 specialized course, 4 elective courses, and 1 outreach course (Paternity Opportunity Program Workshop)

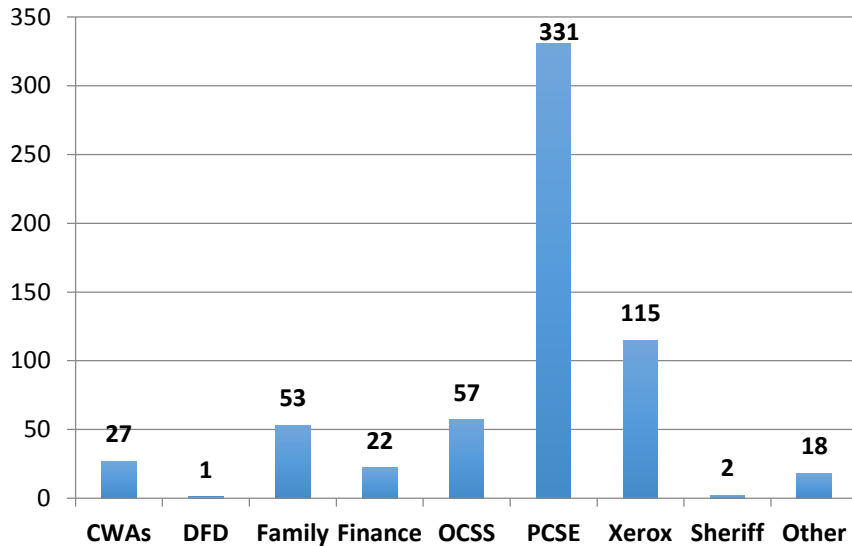

Duplicated Participants by Course Type

- In July, 516 participants attended foundation courses, 62 attended elective courses, 9 attended the specialized course, and 39 completed the WBT

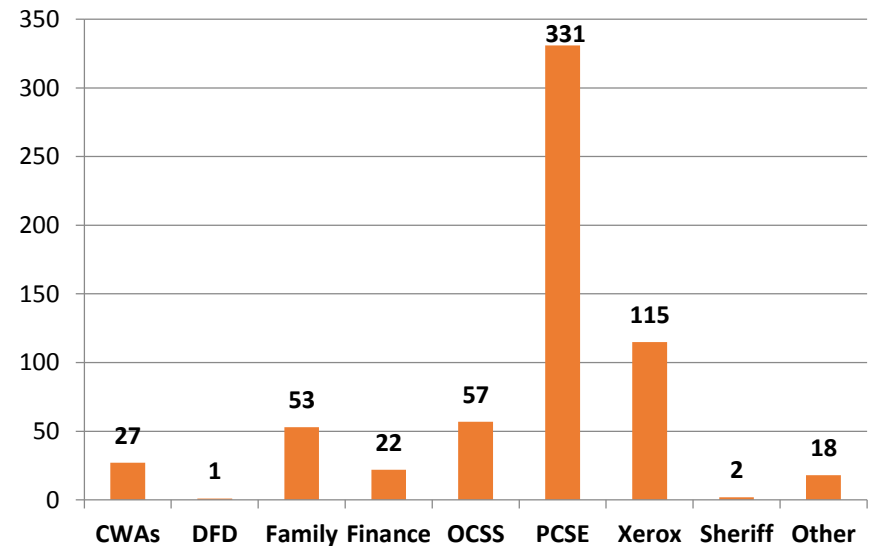

Duplicated Participants by Agency

July

Fiscal Year-to-Date

- More than 50% of the July trainees were from PCSE Units (n = 331), and approximately 19% were from the vendor, Xerox (n = 115)
