

# Stop gaps & speed bumps:

*Overcoming barriers in the job application process*

\* Many job applications want you to answer specific questions before offering you an interview. What if those questions don't fully tell your story as a qualified applicant?

Attend this workshop to learn more about the common 'stop gaps' and 'speed bumps' in the job application process, and tips on what to do when this happens.

**Friday June 9th, 4-6PM**

**Hill Hall Room 103**
