

MASTER'S LEVEL STUDENT JOB VACANCIES

Master's Level Program Assistant | 15 hours a week

The student program assistant will work on generating victim service related materials for a project funded by the Office of the Attorney General Victims of Crime Act. Specifically, they will assist the Communications team, including the multimedia specialist/web assistant with editing content, researching content for dissemination, and assisting with some minor design work. This position will also assist in organizing a series of technical assistance workshops that aim to address sexual and dating violence in institutions of higher education and high schools in New Jersey. Overall, they will help the team produce more materials for outreach, resource sharing, and ultimately, victim service utilization.
