Charity Spotlight: WHYSaveALife Foundation

Starting the conversation, bridging the gap and beating cancer 1 life at a time! WHYSaveALife Foundation, is a 501(c)3 non-for-profit organization determined to increase the five-year survival rate for minorities diagnosed with cancer. WHYSaveALife Foundation's Mission is to increase the minority enrollment of the National Marrow Donor Program (NMDP). Not only do we want to support the registry, we want to support families in choosing Umbilical Cord Blood Collection and Banking who can't afford the costs. We support the community by hosting Bone Marrow Drives and providing information at community events. WHYSaveALife Foundation host a series called Stories of Hope, providing space for cancer patients, survivors and caretakers to share their stories of inspiration
