*Courses must be taken in the above sequence and field hours must be completed in the above sequence. Only after successful completion of the generalist courses, generalist field hours and the statistics requirement, can students begin the specialized curriculum. **Field placements cannot be provided for evening and weekends only. It is the responsibility of the student to have the hours available to do the field practicum, Monday –Friday during the business day (9-5).*** There may be placements that offer some weekend and evening hours, but this cannot be guaranteed.

Generalist Curriculum

All students, except those with baccalaureate degrees from programs accredited by the Council on Social Work Education, are required to take all of the generalist courses. These courses contain a body of knowledge, values, and skills essential for social work practice. This common base is transferable among settings, population groups, and problem areas. The generalist curriculum consists of courses in generalist social work practice with corresponding field instruction, human behavior and the social environment, clinical assessment & diagnosis, introductory social work research methods, social welfare policy and services, and a course focused on diversity and oppression.

Successful completion of the generalist program is required before beginning the specialized curriculum.

The required generalist courses are:

- 19:910:500 Practice with Individuals, Families, and Groups (3)
- 19:910:501 Practice with Organizations and Communities (3)
- 19:910:502 Human Behavior and the Social Environment (3)
- 19:910:504 Social Welfare Policy and Services I (3)

- 19:910:___ Field Education Practicum I, II, III (2, 2, 2)
- 19:910:___ Elective (3) *Course offering may differ based on availability and demand.*

Specialized Curriculum

The specialized curriculum consists of a specialization in a method of advanced clinical practice, an advanced research course, advanced field instruction, and electives. Only after successful completion of the generalist courses and the statistics requirement can students begin the specialized curriculum. Our current online specialized curriculum offers a specialization in clinical social work.

Specialization in Clinical Social Work

The specialization in Clinical Social Work prepares students to conceptualize, provide, and supervise the delivery of social work services to individuals, couples, families, and small groups. Emphasis is on developing competence in those helping processes used to prevent problems and to enhance, develop, and restore social functioning. Courses required for the specialization and which must be taken concurrently with a clinical social work field education practicum are:

19:910:511 Clinical Social Work I (3)

19:910:512 Clinical Social Work II (3)

Additional required advanced courses are:

19:910:585 Advanced Contemporary Policy Requirement (3)
(formerly Social Welfare Policy and Services II)

19:910:595 Evaluation of Social Work Practice and
Programs(3)

19:910: Field Education Practicum IV, V, VI (2, 2, 2)

19:910:___Advanced Practice Distribution Requirement (3) *Course offerings may be limited based on availability and demand.*

19:910:___Elective (3). *Course offerings may be limited based on availability.*

19:910:___Elective (3) *Course offering may be limited based on availability.*

19:910:___Elective (3) *Course offering may differ based on availability and demand.*

In the specialized curriculum, students may choose a second Advanced Practice Distribution Requirement and/or Advanced Contemporary Policy Requirement to satisfy the elective requirement in the second year specialized curriculum. Course offerings may be limited based on availability.
