

Christine E. Kephart, Ph.D.  
Curriculum Vitae

Teaching writing through a social justice lens: demystifying the writing process; interrogating and de-centering colonizing perspectives in writing practices; centering the narratives of diverse voices and identities; developing innovative writing strategies and concepts that challenge writerly and readerly assumptions; positioning writing as a platform for advocacy.

Research and Writing Seminar (Preparation for writing the Senior Thesis)  
Writing & Communications (Critical thinking and composition; text-based research, writing, and presenting)  
Western Literature (Survey of Western Literature)

## British Literature (Survey of British Literature)

2013-2017

**Director**, Writing & Communications Center, Stevens Institute of Technology, Hoboken, NJ

- Created operational and reporting efficiency, e.g., implemented online scheduling and management software, developed data and measures of effectiveness, e.g., student surveys, to evaluate program outcomes and ensure alignment with university goals
- Professionalized writing center operations, e.g., provided leadership and training, identified and addressed staff development needs, created and implemented center protocols
- Taught PhD candidates to write dissertations in various STEM and business disciplines; worked directly with students in one-on-one writing coaching for PhD candidates toward degree completion and with students across the disciplines and degree programs; created and delivered student-facing workshops, e.g., written and oral communications, academic vocabulary building, academic job portfolios, technical writing, writing for business
- Collaborated with faculty, administrators, and professional staff across campus to actualize the center's responsibility to the university
- Upgraded center space and implemented technologies to foster student and faculty well-being and academic learning
- Provided editing of university grant proposals in science and technology
- Developed, delivered, and managed academic and accreditation assessments for the College of Arts & Letters, the School of Business, and the Mechanical Engineering program at Stevens Institute of Technology; assessed writing of ESL graduate students

2011-2013

**Director**, Writing Center & Tutoring Resources, Ocean County College, Toms River, NJ

- Conceived, created, and led a Tutoring Resources unit to address the escalating demand for a structured learning resources center encompassing writing, math, and sciences for a large and diverse student population, including ESL students, military veterans, and adult learners
- Carried out all aspects of administration, e.g., departmental budgeting and planning, annual personnel performance reviews, analysis and reporting of program outcomes, comprehensive records
- Provided leadership and training, e.g., identifying and supporting professional development opportunities for staff, establishing guidelines for standardizing and professionalizing departmental activities and ensuring operational efficiency, developing instructional and practical training materials, and evaluating and coordinating online tutoring with the Office of E-learning
- Created and implemented career development materials (e.g., cover letters, resumes, interview skills) and consulted one-on-one with community college and university students seeking to transfer to a new college, apply to graduate school, or apply for job opportunities
- Consulted and partnered with faculty and college offices to develop, deliver, and assess academic strategy development workshops for students and professional development opportunities for faculty; supported grant-funded tutoring in other college units
- Worked directly with the diverse student body across disciplines at the college and at Kean University to develop written and oral communication skills, e.g., effective academic strategies and study skills

2017-2018; 1995-2010

**Adjunct Instructor**, Georgian Court University, NJ. Courses taught:
