<b>Description</b>	Provides students with all 270 education hours and over 20% of the experience hours required for the NJ LCADC. Also provides the 30 education hours necessary for certification as a gambling counselor in NJ and nationally.	Prepares students to work in healthcare settings and in the community with adults, older adults, and family caregivers that are affected by acute or chronic health problems.	Prepares students to work with a variety of child and youth populations in many different settings (health, mental health, child maltreatment, schools, etc.).	Prepares students to work effectively with Latina/o/x and Latinx populations across the lifespan by cultivating cultural awareness and developing culturally responsive micro and macro social work interventions.	Prepares students to utilize trauma informed and culturally responsive frameworks in working with issues of interpersonal violence and abuse-while also promoting resilience in individuals, families and communities.
