CITIZENSHIP DISCLAIMER

I am a Canadian citizen and permanent resident of the United States of America. I am legally eligible to work in both countries.

ACADEMIC APPOINTMENTS AND AFFILIATIONS

Assistant Professor **2019-Current**

School of Social Work, Rutgers, The State University of New Jersey
New Brunswick, New Jersey, USA

Core Faculty Member **2019-Current**

Centre for Gambling Studies, School of Social Work, Rutgers, The State University of New Jersey
New Brunswick, New Jersey, USA

Sessional lecturer **2015-2019**

Department of Sociology, Department of Criminology, University of Toronto-St. George Campus
Toronto, Ontario, Canada

Sessional lecturer **2014**

Department of Sociology, University of Toronto-Scarborough Campus
Scarborough, Ontario, Canada

EDUCATION

Postdoctoral Fellow, Institute for Mental Health Policy Research **2015 - 2019**

Centre for Addiction and Mental Health, Toronto, Ontario

Supervisors: Dr. Nigel Turner, Dr Robert Mann

Major research projects: Gambling patterns of older adults in Ontario; Province-wide online environment for problem gambling treatment

PhD, Sociology with accreditation in the Collaborative Program in Addiction Studies **2009-2015**

University of Toronto, Toronto, Ontario

Thesis Title: Sociology and the Problems of Problem Gambling Research: Connecting Private Troubles to Public Issues

Supervisor: Dr. Lorne Tepperman

Mark van der Maas

Masters of Arts, Sociology

2008-2009

University of Toronto, Toronto, Ontario

Bachelor of Arts, Honours in Sociology

2003-2007

Wilfrid Laurier University, Waterloo, Ontario

RESEARCH INTERESTS

- Refining public health approaches to addressing problem gambling during market expansion
- Exploring how patterns in gambling behaviours reflect the aging of the US population
- Critically examining responsible gambling policies across jurisdictions

RESEARCH TRAINING EXPERIENCE

Postdoctoral Fellow, Institute for Mental Health Policy Research **September 2015-April 2019**
Location: Centre for Addiction and Mental Health (CAMH)
Supervisors: Robert Mann, CAMH, Nigel Turner, CAMH,
Project: Exploration of gambling among older adults in Ontario

Research Associate, Blueprint ADE **March 2019-June 2019**
Location: Toronto, ON
CEO: Karen Myers
Role: Designing and implementing program evaluation research

Data Specialist, Office of Transformative Global Health **November 2014-April 2016**
Location: Centre for Addiction and Mental Health, Toronto Ontario
Principal Investigators: Corrigan, P., Illinois Institute of Technology, Khenti, CAMH
Project: Clustered randomized control trial of an anti-stigma intervention for community health centre employees

Research Assistant, Department of Sociology **Fall 2010-Summer 2015**
Location: University of Toronto
Principal Investigators: Dr. Lorne Tepperman, University of Toronto
Project: Qualitative study of the intergenerational transmission of problem gambling.

TEACHING EXPERIENCE

Course Instructor, **2020-2022**
Human Behavior in the Social Environment: Understanding Addictive Behavior
School of Social Work, Rutgers University

Course Instructor, **2019-2022**
Human Behavior in the Social Environment
School of Social Work, Rutgers University

Course Instructor, **Summer 2018, Winter 2019**
Public Health Approaches to Drug Policy
Department of Criminology, University of Toronto, St. George Campus

Course Instructor, **Fall 2015, Winter 2018**
Sociology of Crime and Deviance

Mark van der Maas

Department of Sociology, University of Toronto, St. George Campus

Course Instructor,

Deviance and Normalcy

Spring 2014

Department of Sociology, University of Toronto, Scarborough Campus

FUNDING

Awards/Fellowships

CAMH Post Doctoral Fellowship, Centre for Addiction and Mental Health. **2015-2019**
Amount: \$50,000 CAD *per annum*/4 years

Doctoral Completion Award, University of Toronto. **2014-2015**
Amount: \$8,000 CAD *per annum*/2 years

Graduate Student Placement Award, Gambling Research Exchange Ontario. **2014**
Amount: \$10,000 CAD

Doctoral Fellowship, University of Toronto. **2009-2014**
Amount: \$14,000 CAD *per annum*/5 years

Masters Fellowship, University of Toronto. **2008-2009**
Amount: \$12,000 CAD

Grants

Title: Impacts of sports betting legalization on rural communities: An analysis of alcohol-involved crashes
Role: PI
Funding Source: International Center for Responsible Gaming
Project Dates: 2024-2026
Amount: \$175 000 USD

Title: Gambling and Emerging Adults: Understanding Risk Pathways
PI: Nower
Role: Co-I
Funding Source: International Center for Responsible Gaming, Center of Excellence grant
Project Dates: 2024-2026
Amount: \$405,000 USD

Mark van der Maas

Project Title: Identifying patterns of misinformation in online gambling communities

Funding Source: Rutgers Office of the Vice Provost of Research ML/AI Pilot Grant

Project Period: July 1, 2023 – June 30, 2025

Role: MPI

Amount: \$43,378 (as per RU Budget Template)

Project Title: Online gambling and death by suicide: A quasi-experimental approach to gambling policy impacts

Funding Source: International Center for Responsible Gaming

Project dates: 2023-2024

Role: PI

Amount: \$34,500 USD

Project Title: Gambling Treatment Availability and Shortage Communities (G-TASC)

Funding Source: Kindbridge Therapy, Inc.

Project dates: 2022-2023

PI: Lister, J.

Role: Co-PI

Amount: \$75,000 USD

Title: Onsite, Intercept Survey and Longitudinal Follow-up Study of Gamblers Who Patronize Gambling

Venues: An Integrated Knowledge Translation Project

Funding source: Canadian Institutes of Health Research

Project dates: 2022-2027

PI: Tuner, N.E.

Role: Co-I

Amount: \$1,735,000 CAD

Personnel Roles on Grants and other funding sources

Title: Adult ADHD: exploring gender, symptoms and social outcomes using a population-based survey

PI: Vingilis, ER

Role: Data Specialist

Funding Source: Canadian Institutes for Health Research (CIHR) operating grant (no. MOP 102537)

Project dates: 2009-2012

Amount: \$328 974 CAD

Title: Exploring Stigma, Discrimination and Recovery-Based Perspectives toward Mental Illness and Substance Use Problems among Primary Health Care Providers across Ontario

PI: Khenti, A, and Corrigan, P

Role: Data Specialist

Funding Source: Canadian Institutes of Health Research (CIHR funding referencing number: 313-285)

Project dates: 2014-2018

Amount: \$575,115 CAD

Mark van der Maas

Title: Social determinants of problem gambling in the Ontario population: Risk and protective factors

PI: McCready, J.,

Role: Data Specialist

Funding Source: Gambling Research Exchange Ontario

Project dates: 2015-2017

Amount: \$240,000 CAD

Title: The Context of Gambling Treatment: Towards Creating an Online Service to Reduce Problem Gambling

PI: Turner, NE, Murray, R,

Role: Data Specialist

Funding Source: Health System Research Fund, Ontario Ministry of Health and Long-Term Care (Grant no. 425)

Project dates: 2017-2019

Amount: \$ 750,000 CAD

Grants in preparation

Title: Natural Language Processing as a means of identifying misinformation on online gambling forums

PI: van der Maas

Role: PI

Funding Source: ICRG

Submission Year: 2024

Amount: \$405,000 USD over two years
