

ANNUAL ROUNDTABLE ON AGING SERIES

# Rutgers Roundtable on Aging & State Policy in New Jersey

**Friday, March 6, 2026**  
**9:30–11:00 AM ET (Virtual)**

**Join the Hub for Aging Collaboration and leaders across Rutgers for a virtual roundtable featuring Rutgers-based work on social policy and aging in New Jersey.**

This event will feature presentations from Rutgers researchers working across disciplines and sectors to advance 21st century policy on aging. Participants will select a breakout room during each of three program segments featuring different presentation topics and networking opportunities.

This event is free to attend and open to the entire Rutgers community, including faculty, students, staff, community partners, and the general public.

The Roundtable on Aging Series seeks to foster shared learning and connections on key topics on aging at Rutgers. It is hosted annually each March in recognition of the Gerontological Society of America's Careers in Aging Month.
